

# Java Batik Expedition

This is a fully guided tour with Jacky as your host.

Wacky Jacky's is happy to present the next step in the "Ladies Only" retreats in Asia. We are offering an exciting expedition into Java to experience a different side of Indonesia. This is a once in a lifetime trip and is a fully guided tour. Your host Jacky and her treasured offsider Wayan will be with you every step of the way to ensure a smooth and fun trip.

The trip starts by flying into Bali, with a one night stop in Legian. The next day we fly into Yogyakarta for 2 nights, with day trips to some of the most interesting sights in Asia. We are staying in an area called Malioboro in Yogyakarta which has lots of night markets, shops and street stalls within a short walk from the hotel.

We then move onto Surakarta where the fun begins. Making 50 metres of your own batik fabric – you can break this down to 5m lots. You will be choosing colours and tjaps to make up your own range and working alongside the staff in a batik factory.

We have 5 nights in Surakarta and the hotel is in one of the larger shopping precincts in the city. Apart from making our Batik, we will be visiting a Tjap maker (stamps for making batik), famous batik lane, antique market to buy tjaps and batik factories where you can purchase batik at cheap prices.

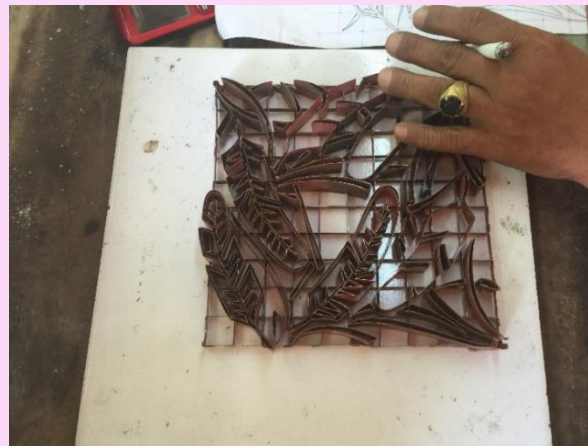

After our intensive 4 days in Surakarta, we will be heading to a lovely country town in the mountains for 2 nights (spending one day enjoying the sights and a bit of down time). On day 11 we fly back to Bali and head by bus back to Candidasa. The next 3 nights will be spent there and you'll have time to chill out after a huge 11 days travelling.

You can pay for this trip in 3 easy instalments.

This will be a trip you will never forget. Be quick to get in before it sells out. Positions are strictly limited.
